www.thekillingtide.com

Based in North East Scotland 4 piece, The Killing Tide , have grown their passionate fanbase through blistering live shows and their trademark anthemic songs.

Their unique blend of alternative Scottish-inspired rock Mixing a powerful fusion of mountainous guitars, marching drums that create waves of sound, and textured heartfelt vocals

This anthemic sound mirrors both moments of joy and periods of sadness, capturing the essence of daydreaming along the North-East Scottish coastline.

Their Self recorded songs, have all received Extended play on BBC Introducing, World wide Online Radio.

Live The Killing Tide have have built up a reputation for rocking venues and festivals throughout Scotland, and Toured with likes of Big Country, Manran, Torridon, Dave Sharp (The Alarm) Amongst many others.. As well as self funded many Tours around Scotland..

The band, originating from the Scottish East Coast , are Alex Morrison (vocals, guitar), Greig McIntosh (guitar), Callum McGregor (bass) and Liam Beedie (drums). For bookings and further info please email thisthiskillingtide@gmail.com
